

SHIPPING INSTRUCTIONS:

1. Email or call us before shipping so we know the package is on its way.
2. Print and fill out the order form and send in box with item.
3. Make sure your item is properly packaged with padding, paper, etc.
4. Make sure you insure your package for the value of its worth against loss or damage.
5. Shipping firearms:
 - Shotguns -- remove and separate barrel from receiver
 - Rifles -- remove bolt assembly from action and separate them

We are a licensed FFL holder. Please call to obtain FFL requirements.

RETURN SHIPPING:

When you pay, just add shipping cost (what you pay to ship to us) to the price and include with item. This way you will not be overcharged for shipping costs.

CARE FOR YOUR ITEM:

To clean your item, simply wipe off with a clean damp cloth. On firearms, it is no longer necessary to oil gun parts that have been coated. **The applied finish can be damaged by products containing DEET (which is common in insect repellants), bore cleaners, or any chemicals that can remove paint.**

Thank you for your business!
